

Dear Scholars,

We hope you are all staying safe and healthy at home! Your work from last week was incredible, and we are so excited to see how much you will grow your brains this week as well! Hopefully we will see you soon, but in the meantime, please continue your excellent work.

Parents: We have attached graphic organizers in this document to help better explain what an opinion paragraph and an informational paragraph look like for scholars. Feel free to send pictures of the scholar's work to the teachers! We love to see their work! :)

Love,

Your Teachers

Monday - NO SCHOOL FOR SCHOLARS AS IT IS PATRIOTS DAY! ENJOY YOUR DAY!

Tuesday

- Math - Solve the following math problems:

$$22 + 8 = \underline{\quad} \quad 17 + 15 = \underline{\quad} \quad 8 + 30 = \underline{\quad} \quad \underline{\quad} = 6 + 20 \quad 33 + 3 = \underline{\quad}$$

$$17 + 20 = \underline{\quad} \quad 11 + 13 = \underline{\quad} \quad 7 + 18 = \underline{\quad} \quad \underline{\quad} = 30 + 2 \quad 15 + 7 = \underline{\quad}$$

- Reading - On Epic, read the book [Flutter, Butterfly! National Geographic Readers](#).
- Literacy - Write an **informational paragraph** about butterflies. Write to teach someone at home about a butterfly and its life cycle. Write down as many details as possible! When finished writing you may draw a picture to match! Make sure to include labels in your picture. REMEMBER all the parts of an informational paragraph! Scroll down to see our anchor charts.
- Art - Create a natural composition. In art, a composition is the way in which lines, shapes, and objects are arranged. See what you can find in your backyard such as leaves, rocks, and sticks and arrange to create a natural composition. If you are unable to go outside, you can use items from around your home. You can arrange, stack or balance recyclable materials like empty cardboard boxes or water bottles to create a 3-D composition.
- PE - Try and sit in an invisible chair 10 times - sit then stand, sit then stand, ect. Do this 3 times!

Optional

- Draw a map of your home and use labels to explain the areas in your house
- [My turn, your turn sight word videos](#). See if you can beat the speaker!

Wednesday

- Math - Solve the following math problems:

$18 - 7 = \underline{\quad}$ $24 - 8 = \underline{\quad}$ $\underline{\quad} = 10 - 7$ $15 - 6 = \underline{\quad}$ $5 - 1 = \underline{\quad}$

$30 - 10 = \underline{\quad}$ $19 - 1 = \underline{\quad}$ $\underline{\quad} = 14 - 13$ $17 - 15 = \underline{\quad}$ $19 - 11 = \underline{\quad}$

- Read a **fiction book** for 30 minutes. Remember epic.com has great resources to find one.
- Literacy - Write a paragraph about the character inside your book. Are they a hero or a villain? What are some character traits? How do they feel in the book? What is a main event that happened to them in the book?
- Art - Happy Earth Day! Take an empty food box or plastic bottle and use paper, crayons or markers, and glue or tape to create a new package for an imaginary product like your own brand of breakfast cereal or a silly smelly scent for a bottle of shampoo. If you use a cardboard box, you can open it up and draw directly on the blank cardboard surface. Be silly and use your imagination!
- PE - Bend down and touch your toes 10 times. Then hold your arms out like you're making the letter "T" with your body. Make circles with your arms in the air for 20 seconds

Optional

- Rearrange the words to form a complete, meaningful sentence. Remember to start your sentence with an uppercase letter.**
- big look at the elephant!
 - who house that near lives in the forest?
 - honey a makes bee sweet.
 - play will you mewith?
 - a brown a with chick hen!
- Write the numbers 1, 2, 2, 3 in the correct place so that each side of the squares adds up to 6!

1		

Thursday

- Read for 30 minutes.
- Math - Solve the following math problems:
 $17 - \underline{\quad} = 8$ $\underline{\quad} - 9 = 10$ $\underline{\quad} + 9 = 15$ $18 + \underline{\quad} = 18$ $7 + \underline{\quad} = 16$
 $10 - \underline{\quad} = 3$ $\underline{\quad} - 16 = 4$ $\underline{\quad} + 7 = 20$ $4 + \underline{\quad} = 13$ $15 + \underline{\quad} = 19$
- Literacy - Write an **opinion paragraph** about **which American Symbol is your favorite**. Try to convince your teacher and the principal why that American symbol should be their favorite too. Be clear with your reasons! Remember to include all the parts of an opinion paragraph!
- Art - Find an interesting looking stick, leaf, or rock outside and make an observational drawing of that object. Do your best to only draw the lines and shapes you see in the object and use your crayons or markers that match the object's colors.
- PE - Pretend to jump rope while counting to 15. Repeat this 3 times!

Optional

- Make a video of you counting to 100 and then show a family member to see if they can do it (like the youtubers).
- To show consideration, draw a picture for a neighbor to make their day!

Friday

- Read for 30 minutes.
- Math - Solve the following word problems:
 - 17 children went to Ms. Friel's Zoom Class. 8 of them were boys. How many were girls?
 - A scholar picked 27 bananas. Then she picked 9 apples. How many fruits did she pick in all?
 - A farmer has 7 cows and 15 sheep. How many more sheep than cows does he have?
 - John had 8 dollars. His brother Tim has 6 dollars. How many dollars do they have in all?
 - Bob has 8 dollars. His brother Tim has 7 dollars **less** than he does. How much money does Tim have?
- Literacy - Write an opinion paragraph about **your favorite teacher at Alma**. Set a timer for **15 minutes** and write a paragraph to convince your teacher (or mom or dad or a sibling!) and explain why that person is your favorite teacher! This should look like an **opinion paragraph**, but when the timer goes off, you can stop writing, whether you are done or not!
- Art - Invisible drawing! Use water with a brush or your finger to "paint". When the water dries are there any traces of your painting? This technique works well on cement surfaces, sidewalks, and cardboard.
- PE - Lay on your back and pedal your legs in the air like you are riding a bicycle for 30 seconds. Do this 3 times!

Optional

- Try to draw the words below and see if someone in your family can guess the word!
 - Thumb
 - Eat
 - Flower
- Count by 10s to 100.

Alma families, please follow

Alphabet workout... use these workouts to spell different words!

A- 10 jumping jacks

B- 5 push-ups

C- 1 burpee

D- 20 high knees

E- 5 sit ups

F- 10 mountain climbers

G- 5 squats

H- 10 lunges

I- 10 side lunges

J- 20 mummy jacks

K- 20 second plank

L- 5 squat jumps

M- 5 star jumps

N- 10 seconds jump rope

O- 10 toe touches

P- 20 butt kicks

Q- 10 opposite hand/ opposite foot touches

R- 10 skaters

S- 10 arm circles

T- 20 scissor jumps

U- 10 plank jacks

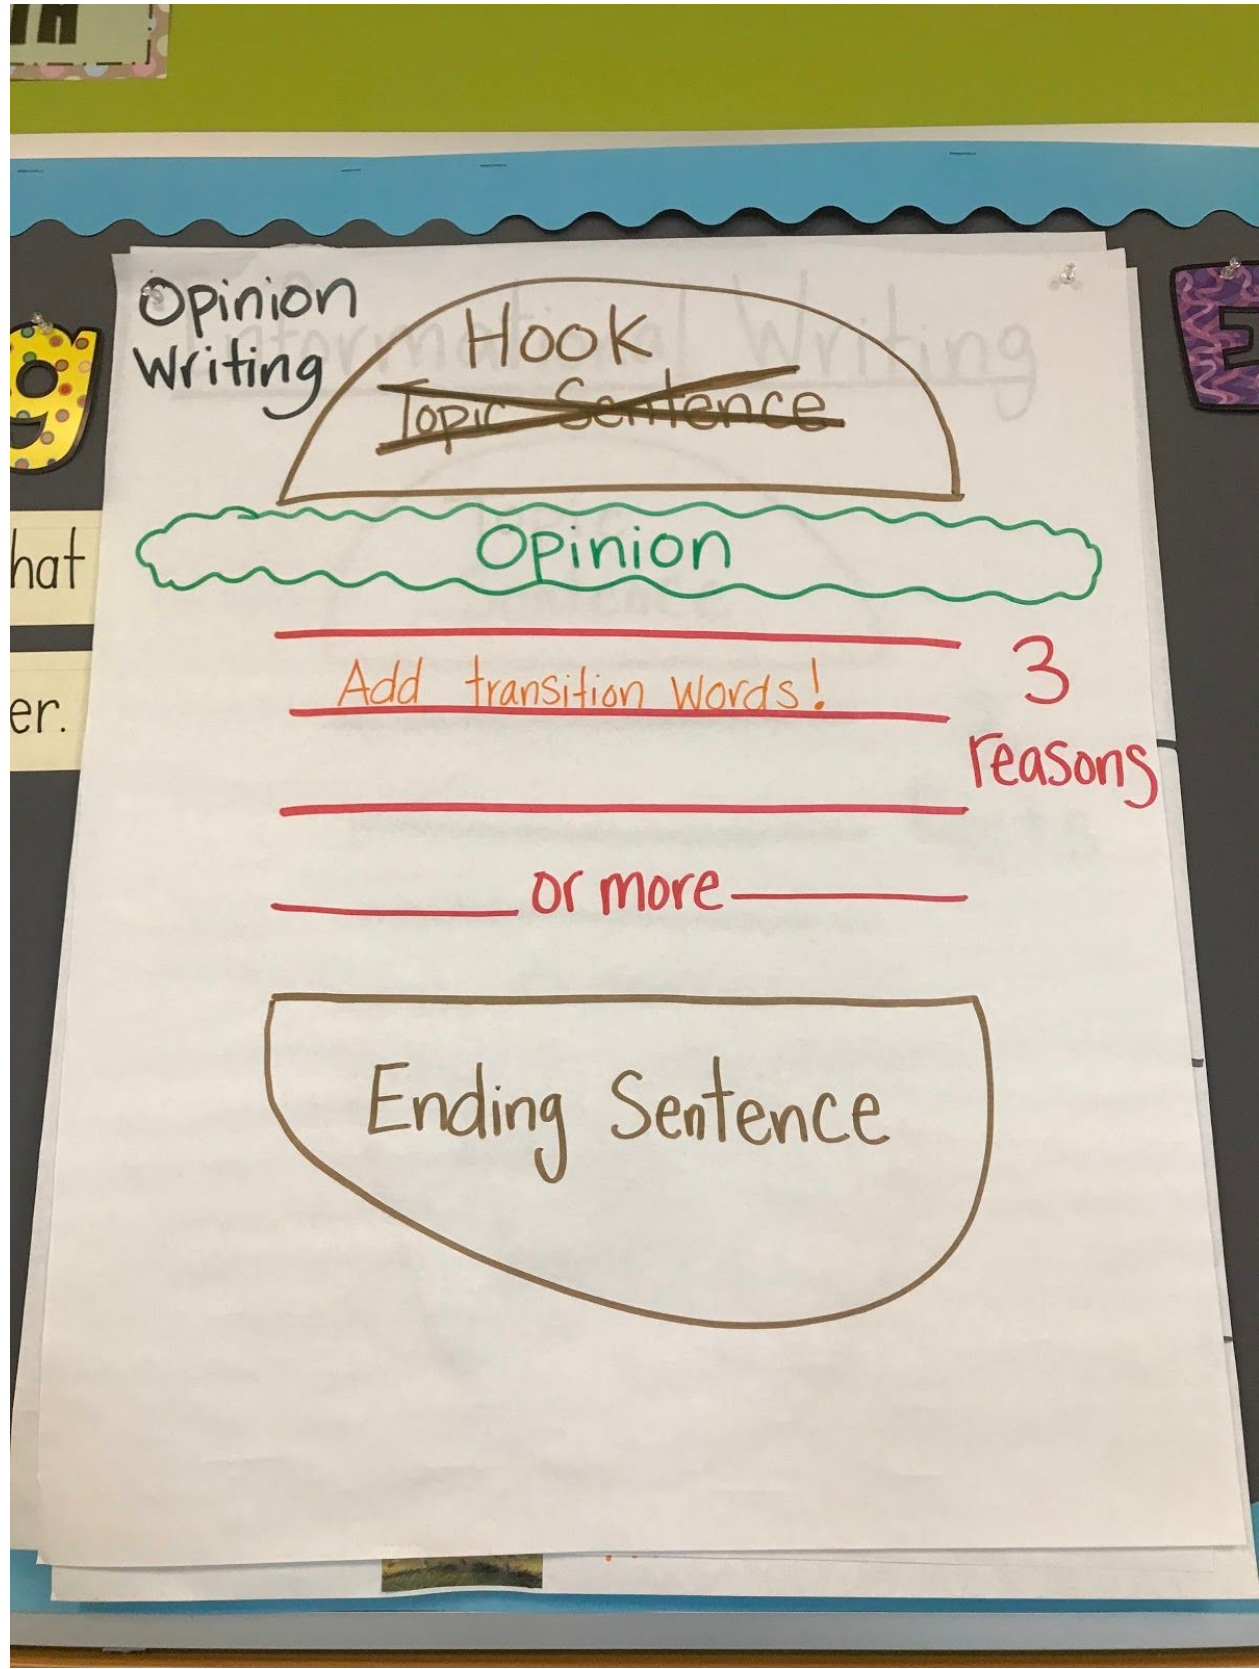

V- 10 touchdown jacks

W- 3 inchworms

X- 10 seconds run in place

Y- 10 seconds fast feet

Z- 5 plie squats
