

SARAH D. OTTIWELL CAMPUS

Learn. Lead. Serve. Succeed!

As an Alma del Mar scholar I agree to use technology responsibly, and abide by the expectations of the organization.

**Digital Citizenship**

I will demonstrate digital citizenship by:

- Observing and honoring copyright code and laws.
• Not downloading or attempting to download apps not approved by the organization.
• Not downloading or attempting to download content of controversial or sensitive nature.
• Not taking or viewing pictures or videos of individuals without express permission.
• Accepting that the system administrator has access and control over your account content.

**Technology**

I understand and agree to demonstrate proper use and handling of technology including but not limited to:

- Ensuring technology is being handled physically safe and returned without damage.
• Acknowledging that the technology is the property of Alma del Mar, and the individual it is signed to is solely responsible for its safety when it is in their care.
• Ensuring the technology is properly maintained and in working condition upon issue and the duration of usage.
• Acknowledging that the assigned individual is financially responsible for damaged, destroyed or lost technology up to the fair cost of repair or replacement.
