Academic Year 2020-2021 Calendar

Alma community,

Here are some of the major dates that we have currently slated for our AY 20-21 calendar. We will continue to adapt our calendar to account for federal and state health & safety guidelines set for school re-entry. That being said, we have **no** plans to shift the first day of school any earlier, and expect to continue observing major holidays. As we approach the school year, we will share a more complete calendar that includes Professional Development days and other special events. Our community continues to show inspiring levels of resiliency and flexibility in these unprecedented times.

Please reach out if you have any questions or concerns.
