

Learn. Lead. Serve. Succeed!

May 18, 2020

Dear 6th - 8th grade families,

We are so impressed by the responsibility and perseverance that so many of your scholars are demonstrating during this unprecedented time. To ensure that scholars have a complete academic record to include in their high school applications, 6th-8th grade scholars will receive an end of year academic report in June that will indicate if they earned credit, no credit, or credit with honors based on their participation in remote learning this spring. (We will not be issuing any end of year reports for scholars in grades K-5).

These are not going to be the typical standards-based report cards that scholars are issued quarterly. Please see the template attached. For attendance, scholars will earn credit if they are regularly attending their Crew meetings on Zoom. For academic categories, scholars will earn credit if they are regularly submitting their work. Scholars can earn credit with honors if their work is consistently high quality. Crew leaders shared this information with scholars last week.

If you have any questions or concerns about your scholar's current academic standing, please do not hesitate to reach out to their teachers. Thank you for your partnership.

Sincerely,
Alexa Teevens
Network Director of Curriculum & Instruction

End of Year Academic Report

Name:

Grade:

The following report reflects the attendance and work completion for your scholar during Q4 of remote learning in the 2020-2021 academic school year. All scholars received a designation of no credit, credit, or credit with honors based on the level and quality of work completed during this time period.

Attendance	Credit/No Credit/Credit with Honors
Academic Work Completion	ELA: Credit/No Credit/Credit with Honors
	Math: Credit/No Credit/Credit with Honors
	Science: Credit/No Credit/Credit with Honors

***8th grade report categories will be Attendance, Passage Portfolios, and Math.**
