

Dear Scholars,

This is our last few days of first grade! All we have is Monday and Tuesday. We cannot say enough how proud we are of all of you. We know these past few months have been challenging. Learning from home and all of us teaching from home was new for all of us. We miss you all but we are so excited to see you in a few short months as second graders! Take these next few days to think about all the memories you made inside your classroom, with your teachers, your crew, and your school. We hope you know how special we think you all are and that we will always be here for you. Have an amazing summer scholars!

Love,

Your Teachers
