

Dear Scholars,

Can you believe it scholars, it is our last two days in Kindergarten. Do you remember walking in on your first day of school? Your brains have grown so much and we are all so proud of the work you did this year while we were in school. We are even more proud of the hard work that you did while we had to learn in a different way. You have continued to grow your brains even while working at home.

You have done amazing work on Happy Numbers and Epic and the daily activities. You should be so proud of what you have done and you are all superstars! We only have two days left so be sure to login to Epic and Happy Numbers each day to finish off like the superstars you are! Scholars, don't forget you have a summer packet and access to Chromebooks and websites to keep growing your brains this summer so that you will be shining stars in first grade next year.

Parents, we thank you so much for all of your hard work and support during these challenging times. We all know superheroes wear capes and you were superheroes wearing many capes to not only be parents and caregivers but to also step in as teachers at home. We applaud your efforts and please know that you are appreciated.

Scholars we miss you more than you know and we hope you have a wonderful summer!

Love,

Your Teachers
