

Learn. Lead. Serve. Succeed!

To our 7th and 8th grade families,

With the challenges of the current pandemic, we are not able to gather this year for our annual in-person fair. To help you navigate the transition to high school, we are pleased to instead offer a series of 30-minute Zoom sessions to enable you to ask questions, explore interests, and learn about the options that exist at the high school level.

These webinars are intended for 7th and 8th graders from Alma del Mar, Nativity Prep, and Our Sisters' School and their families. We encourage you to join as often as you can.

Below is a calendar of upcoming events for November and December. See below for additional details and access information.
