

Learn. Lead. Serve. Succeed!

Hello, Alma families!

We are pleased to announce that we are expanding our after school program for the 2021-22 school year! These changes will increase the number of days after school is available each week, as well as the variety of activities that will be offered.

Scholars in grades 5-8 will have several new opportunities taking place at the Sarah D. Ottiwell campus. This year, after school programs have been extended to **four days each week, Monday - Thursday**. Families should expect to pick up their scholars at 4:45pm at the Sarah D. Ottiwell Campus, or at their off-site locations.

Additionally, a late bus will be available for our middle school scholars, which will depart at 5:00pm Monday - Thursday. This bus is offered only for our middle school scholars who are on campus; all scholars who are off-site must be picked up by families.

Please fill out and return this form by **Friday 9/3/2021**:

Scholar name _____ Grade _____

Please select your first, second, and third choices for the program you'd like your scholar to participate in:

___ Q+ ___ Japanese Club ___ Sailing*
